

TWO NEW PUBLICATIONS - GOWER: PRINCIPLES OF MODERN COMPANY LAW; AND TRADE FINANCE -TECHNOLOGY, INNOVATION AND DOCUMENTARY CREDITS

2 Aug, 2021

Congratulations to [Christopher Hare](#), a member of our commercial team, who has had two books published recently.

Gower's Principles of Modern Company Law co-edited by Christopher with Paul L Davis and Sarah Worthington, is the leading comprehensive text on company law and practice and provides a detailed analysis of all key areas.

You can find full details and how to order [here](#)

Trade Finance - Technology, Innovation and Documentary Credits, co-edited by Christopher with Dora Neo, re-examines the legal principles of trade finance and the challenges posed by technological changes, financial innovation, and international regulation.
