Chris Stoner QC and Nicholas Evans will consider London Trocadero (2015) LLP v Picturehouse Cinemas Limited & Others [2021] EWHC 2591(Ch), an important decision for tenants seeking to reduce their rental liabilities over the period of the pandemic. In addition to the position of tenants, Chris and Nicholas will also consider the impact of the case on general contractual & commercial claims, in the context of the implication of terms into a contract and the 'failure of basis'.
