

EMPLOYMENT BREAKFAST BITES - THE ART OF WRITING WITNESS STATEMENTS

30 Jun, 2022

Guildhall Chambers invite you to join us at [Clayton Hotel, Bristol](#), for a free talk from Debbie Grennan and Nicholas Smith on the art of writing witness statements.

Witness statements are the cornerstone of the employment tribunal process. It's easy to win or lose a case on the quality of the statements, yet this is an area in which solicitors and barristers receive little in the way of formal training.

This user-friendly, practical session will assist delegates to produce high quality, relevant and persuasive witness statements, thus maximising the prospects of success in terms of liability, quantum and sometimes, costs.

Schedule:

7:45am - Registration & breakfast

8:15am - The art of writing witness statements, Debbie Grennan & Nicholas Smith
